2016-2017 Initial Bargaining Proposal

Woodside School District to the Woodside Teacher's Association

The current agreement remains in full force and effect through June 30th 2017. The entire agreement is open for negotiations. The District additionally opens and identifies its initial list of areas of interest as follows:

1. Maintain a salary schedule and benefit program that will attract and retain quality teachers while maintaining a balanced budget without deficit financing and a well-rounded and academically rich instructional program.
 2. Continue improving, clarifying, and simplifying all contract language.
