

EQUITY

The Governing Board believes that the diversity that exists among the district's community of students, staff, parents/guardians, and community members is integral to the district's vision, mission, and goals. Addressing the needs of the most marginalized learners requires recognition of the inherent value of diversity and acknowledgement that educational excellence requires a commitment to equity in the opportunities provided to students and the resulting outcomes.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)
(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 5145.3 - Nondiscrimination/Harassment)

In order to eradicate institutional bias of any kind, including implicit or unintentional biases and prejudices that affect student achievement, and to eliminate disparities in educational outcomes for students from historically underserved and underrepresented populations, the district shall proactively identify class and cultural biases as well as practices, policies, and institutional barriers that negatively influence student learning, perpetuate achievement gaps, and impede equal access to opportunities for all students.

The Board shall make decisions with a deliberate awareness of impediments to learning faced by students of color and/or diverse cultural, linguistic, or socio-economic backgrounds. To ensure that equity is the intentional result of district decisions, the Board shall consider whether its decisions address the needs of students from racial, ethnic, and indigent communities and remedy the inequities that such communities experienced in the context of a history of exclusion, discrimination, and segregation. Board decisions shall not rely on biased or stereotypical assumptions about any particular group of students.

As necessary to ensure efficient use of school facilities, the Superintendent or designee may, with the Board's approval, enter into an agreement for the joint use of any school facilities or grounds. The Board shall approve any such agreement only if it determines that it is in the best interest of the district and the community.

USE OF SCHOOL FACILITIES (continued)

(cf. 1330.1 - Joint Use Agreements)

(Education Code 38134)

(Education Code 38134)

OPTION 3: (No charge to school-related organizations)

All other groups requesting the use of school facilities under the Civic Center Act shall be charged an amount not exceeding direct costs determined in accordance with 5 CCR 14037-14041.

Additionally, when any use of school facilities or grounds is for religious services, the district shall charge an amount at least equal to the district's direct costs. (Education Code 38134)

USE OF SCHOOL FACILITIES (continued)

Groups shall be charged fair rental value when using school facilities or grounds for entertainment or meetings where admission is charged or contributions solicited and net receipts are not to be expended for charitable purposes or for the welfare of the district's students. (Education Code 38134)

Calculating Direct Costs

Direct costs to be charged for community use of each, or each type of, school facility or grounds shall be calculated in accordance with 5 CCR 14038 and may reflect the community's proportionate share of the following costs: (Education Code 38134; 5 CCR 14038-14041)

If school will be in session, the Superintendent or designee shall identify to elections officials the specific areas of the school buildings not occupied by school activities that will be allowed for use as polling places. (Elections Code 12283)

(cf. 6111 - School Calendar)

USE OF SCHOOL FACILITIES (continued)

He/she shall make a reasonable effort to ensure that the site is accessible to persons with disabilities. (Elections Code 12283)

(Government Code 905, 911.2, 935)

Notice of Claim Insufficiency

If a claim is found insufficient or not to satisfy the form requirements under Government Code 910 and 910.2, the Board or its designee shall, within 20 days of receipt of the claim, personally deliver or mail to the claimant, at the address stated in the claim or application, a notice that states the particular defects or omission in the claim. Late Claims

For claims under item #1 and #3 in the section "Time Limitations" above, any person who presents a claim later than six months after the accrual of the cause of action shall present, along with the claim, an application to present a late claim. Such claim and the application to present a late claim shall be presented not later than one year after the accrual of the cause of action. (Government Code 905, 911.4)

If the claim is presented late and is not accompanied by an application to present a late claim, the Board or its designee may, within 45 days, give written notice that the claim was not presented timely and that it is being returned without further action. (Government Code 911.3)

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

The Board shall grant or deny the application to present a late claim within 45 days after it is presented. This 45-day period may be extended by written agreement of the claimant and the Board provided that such agreement is made before the expiration of the 45-day period. (Government Code 911.6)

The Board shall grant the application to present a late claim where one or more of the following conditions are applicable: (Government Code 911.6)

1. The failure to present the claim was through mistake, inadvertence, surprise, or excusable neglect and the district was not prejudiced in its defense regarding the claim by the claimant's failure to present the claim within the time limit.
2. The person who sustained the alleged injury, damage, or loss was a minor during all of the time specified for presentation of the claim.
3. The person who sustained the alleged injury, damage, or loss was physically or mentally incapacitated during all of the time specified for presentation of the claim and the disability was the reason he/she failed to present the claim.
4. The person who sustained the alleged injury, damage, or loss died before the expiration of the time specified for the presentation of the claim.

If the application to present a late claim is denied, the claimant shall be given notice in substantially the same form as set forth in Government Code 911.8. (Government Code 911.8)

(Government Code 911.6)

Within 45 days after the presentation or amendment of a claim, the Board shall take action on the claim. This time limit may be extended by written agreement between the district and the claimant before the expiration of the 45-day period. If the 45-day period has expired, the time limit may be extended if legal action has not commenced or been barred by legal limitations. (Government Code 912.4)

The Board may act on the claim in one of the following ways: (Government Code 912.4, 912.6)

CLAIMS AND ACTIONS AGAINST THE DISTRICT (continued)

1. If the Board finds that the claim is not a proper charge against the district, the claim shall be rejected.
2. If the Board finds that the claim is a proper charge against the district and is for an amount justly due, the claim shall be allowed.
3. If the Board finds that the claim is a proper charge against the district but is for an amount greater than is justly due, the Board shall either reject the claim or allow it in the amount justly due and reject it as to the balance.
4. If legal liability of the district or the amount justly due is disputed, the Board may reject or compromise the claim.
5. If the Board takes no action on the claim, the claim shall be deemed rejected.

If the Board allows the claim in whole or in part or compromises the claim and the claimant accepts the amount allowed or offered to settle the claim, the Board may require the claimant to accept it in settlement of the entire claim. (Government Code 912.6)

The Board or its designee shall transmit to the claimant written notice of action taken or of inaction which is deemed rejection. The notice shall be in the form set forth in Government Code 913 and shall either be personally delivered or mailed to the address stated in the claim or application. (Government Code 913, 915.4)

UNMANNED AIRCRAFT SYSTEMS (DRONES)

The Governing Board recognizes that unmanned aircraft or aerial systems (drones) may be a useful tool to enhance the instructional program and assist with district operations. In order to avoid disruption and maintain the safety, security, and privacy of students, staff, and visitors, any person or entity desiring to use a drone on or over district property shall submit a written request for permission to the Superintendent or designee.

(cf. 1330 - Use of School Facilities)

(cf. 1330.1 - Joint Use Agreements)

(cf. 5142 - Safety)

A small *unmanned aircraft system* or drone is an aircraft weighing less than 55 pounds that is operated remotely without the possibility of direct human intervention from within or on the aircraft and the associated elements, including communication links and controls, required for the pilot to operate the aircraft safely and efficiently. It does not include model aircraft or rockets such as those which are radio controlled and used only for hobby or recreational purposes. (49 USC 40101 Note; 14 CFR 107.3)

The Superintendent or designee may grant permission to district employees and students for the use of drones only if the planned activity supports instructional, co-curricular, extracurricular, athletic, or operational purposes. Such uses may include, but are not limited to, instruction in science, technology, engineering, and math (STEM), the arts, or other subjects; maintenance of grounds and facilities; and campus security. When used for instructional purposes, there shall be a clear and articulable connection between drone technology and the course curriculum. Students shall only operate a drone on or over district property under the supervision of a district employee as part of an authorized activity.

The Superintendent or designee may grant permission to other persons or entities under terms and conditions to be specified in a memorandum of understanding.

Any person or entity requesting to operate a drone on or over district property, including a district employee, shall provide a description of the type of operation requested, flight location, date and time of the planned flight, anticipated duration, and whether photos and/or video will be taken. As applicable, the applicant shall also present a copy of his/her Certificate of Waiver or Authorization or exemption issued by the Federal Aviation Administration.

Any person or entity, other than a district employee or student, who is requesting or operating a drone on or over district property shall agree to hold the district harmless from any claims of harm to individuals or property resulting from the operation of the drone and provide proof of adequate liability insurance covering such use.

(cf. 3530 - Risk Management/Insurance)

UNMANNED AIRCRAFT SYSTEMS (DRONES) (continued)

In determining whether to grant permission for the requested use of a drone, the Superintendent or designee shall consider the intended purpose of the activity and its potential impact on safety, security, and privacy. The decision of the Superintendent or designee shall be final.

Any person authorized to use a drone on district property shall sign an acknowledgment that he/she understands and will comply with the terms and conditions of the district's policy, federal law and regulations, state law, and any local ordinances related to the use of drones.

When any use of drones is authorized, the Superintendent or designee shall notify the drone operator of the following conditions:

1. The operator is responsible for complying with applicable federal, state, and/or local laws and regulations, including federal safety regulations pursuant to 14 CFR 107.15-107.51 which include, but are not limited to, requirements that the drone not be flown at night, above 400 feet in altitude, or over any people unless they are in a covered structure or stationary vehicle. The operator shall maintain the visual line of sight with the drone at all times.
2. The drone shall be kept away from any area reasonably considered private, including, but not limited to, restrooms, locker rooms, and individual homes.
3. The district reserves the right to rescind the authorization for use of drones at any time.

The Superintendent or designee may remove any person engaged in unauthorized drone use on district property and/or may confiscate the drone. He/she may also shut down the operation of any authorized drone use whenever the operator fails to comply with the terms of the authorization or the use interferes with district activity, creates electronic interference, or poses unacceptable risks to individuals or property.

(cf. 3515.2 - Disruptions)

Any student or staff member violating this policy shall be subject to disciplinary action in accordance with district policies and procedures.

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

(cf. 5144 - Discipline)

BARGAINING UNITS

4340

The Governing Board recognizes the right of district employees to form a bargaining unit, select an employee organization as their exclusive representative, and be represented by that organization in their employment relationship with the district. The Board is committed to negotiating in good faith with recognized employee organizations and respecting the rights of employees and employee organizations.

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4143/4243 - Negotiations/Consultation)

(cf. 9000 - Role of the Board)

The district shall not dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it. (Government Code 3543.5)

Formation of Bargaining Units

Certificated and classified employees shall not be included in the same bargaining unit. (Government Code 3545)

The district may recognize a bargaining unit of supervisory employees if: (Government Code 3545)

1. The bargaining unit includes all supervisory employees.
2. The supervisors are not represented by the same organization that represents employees whom the supervisory employees supervise.

(cf. 4300 - Administrative and Supervisory Personnel)

(cf. 4301 - Administrative Staff Organization)

(cf. 4312.1 - Contracts)

For this purpose, *supervisory employee* means any employee, regardless of job description, having the authority, in the interest of the district, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, discipline, assign work, direct, adjust grievance of other employees, or effectively recommend that action. The exercise of this authority shall not be merely routine or clerical in nature, but shall require the use of independent judgment. (Government Code 3540.1)

Employees serving in management, senior management, or confidential positions shall not be represented by an exclusive representative. Such employees may represent themselves individually or may be represented by an employee organization whose membership is composed entirely of employees designated as holding those positions. When represented by an employee organization, that organization shall not meet and negotiate with the district. For this purpose: (Government Code 3540.1, 3543.4)

BARGAINING UNITS (continued)

1. *Management employee* means any employee who has significant responsibilities for formulating district policies or administering district programs, and whose position is designated as a management position by the Board.
2. *Confidential employee* means any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information that is used to contribute significantly to the development of management positions.

Membership

The district shall not deter or discourage employees or job applicants from becoming or remaining members of an employee organization, authorizing representation by an employee organization, or authorizing dues or fee deductions to an employee organization. In addition, the district shall not impose or threaten to impose reprisals on employees, discriminate or threaten to discriminate against employees, or otherwise interfere with, restrain, or coerce employees because of their membership or nonmembership in an employee organization. (Government Code 3543.5, 3550)

(cf. 4119.1/4219.1/4319.1 - Civil and Legal Rights)

The Superintendent or designee may communicate with district employees regarding their rights under the law. Such communications shall be factual and accurate, and may not promise a benefit, threaten a reprisal, or in any way deter or discourage employees from joining an employee organization or paying dues.

However, before disseminating to multiple employees any mass communication concerning employees' right to join or support an employee organization or to refrain from joining or supporting an employee organization, such as a written document or script for oral or recorded presentation or message, the Superintendent or designee shall meet and confer with the employees' exclusive representative regarding the content of the communication. If the district and exclusive representative do not come to agreement on the content of the mass communication, the Superintendent or designee may disseminate the district's mass communication provided that, at the same time, copies of the exclusive representative's communication, which shall be of reasonable length, are also distributed. (Government Code 3553)

Access to Employee Orientations and Contact Information

The district shall permit employee organizations access to new employee orientations where newly hired employees are advised, whether in person, online, or through other means or

BARGAINING UNITS (continued)

mediums, of their employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The district shall provide employee organizations at least 10 days' notice in advance of an orientation. However, in any specific instance where an unforeseeable, urgent need critical to the district's operation prevents the required 10 days' notice, a shorter notice may be provided. (Government Code 3555.5, 3556)

The structure, time, and manner of the access to new employee orientations shall be determined by mutual agreement of the district and the exclusive representative, following a request to negotiate by either party. If the district and exclusive representative fail to reach an agreement, matters related to the access to new employee orientation shall be subject to compulsory interest arbitration. The district and employee organization may mutually agree to submit any dispute to compulsory interest arbitration at any time. In addition, if any dispute arises during negotiations and is not resolved within 45 days after the first meeting or within 60 days after the initial request to negotiate, whichever is earlier, either party may make a demand for compulsory interest arbitration. When any such dispute arises during the summer when the district's administrative office is closed, the timeline shall commence on the first day the administrative office reopens. The decision of the arbitrator shall be final and binding on the parties. (Government Code 3556, 3557)

The date, time, and place of the orientation shall not be disclosed to anyone other than employees, the exclusive representative, or a vendor that is contracted to provide a service for purposes of the orientation. (Government Code 3556)

The Superintendent or designee shall provide an exclusive representative with the name, job title, department, work location, telephone numbers (work, home, and personal cell phone), personal email address(es) on file with the district, and home address of any newly hired employee in the bargaining unit, within 30 days of hire or by the first pay period of the month following hire. In addition, the Superintendent or designee shall provide the same information in regard to all employees in the bargaining unit to an exclusive representative at least every 120 days, unless more frequent or detailed lists are required by agreement with the exclusive representative. (Government Code 3558, 6254.3)

However, the Superintendent or designee shall not disclose the home address and any phone numbers on file for employees performing law enforcement-related functions, nor shall he/she disclose the home address, home or personal cell phone number(s), or personal email address(es) of any employee who is a participant in the Safe at Home address confidentiality program pursuant to Government Code 6207 or any employee who provides written request that the information not be disclosed for this purpose. Following receipt of a written request, the district shall remove the employee's home address, home and personal cell phone numbers, and personal email address from any mailing list maintained by the district unless the list is only used by the district to contact the employee. (Government Code 3558, 6207, 6254.3)

BARGAINING UNITS (continued)

(cf. 1340 - Access to District Records)

Membership Dues or Other Payments to an Employee Organization

When drawing an order for the salary or wage payment of a bargaining unit employee of an employee organization, the district shall deduct any amount which has been requested by the employee in a revocable written authorization for the purpose of paying dues or other payments for any service, program, or committee provided or sponsored by the employee organization. (Education Code 45060, 45168)

An employee organization that certifies that it has and will maintain individual employee authorizations shall handle and process employee written authorizations for payroll deductions. When an employee organization provides such a certification to the district, the district shall rely on information from the employee organization regarding the amounts of such payroll deductions and from which employees. The employee organization shall not be required to submit to the district a copy of the written authorization in order for the payroll deductions to be effective. However, when there is a dispute about the existence or terms of the written authorization, a copy of the employee's written authorization shall be submitted to the district. The employee organization shall indemnify the district for any employee claims regarding payroll deductions made by the district in reliance on notification from the employee organization. (Education Code 45060, 45168)

When an employee organization which has declined to certify that it will handle and process employee written authorizations makes a request for payroll deductions, the district shall request a copy of the employee's written authorization before making the payroll deductions. (Education Code 45060, 45168)

A written authorization shall remain in effect until expressly revoked in writing by the employee and pursuant to the terms of the written authorization. Employee requests to cancel or change authorizations for payroll deductions for employee organizations shall be directed to the employee organization rather than the district. The employee organization shall be responsible for processing these requests. The district shall rely on the information provided by the employee organization regarding whether deductions for an employee organization were properly canceled or changed. The employee organization shall be required to indemnify the district for any claims made by an employee for deductions made by the district in reliance on information from the employee organization. ERGONOMICS

4257.2

4357.2

The Superintendent or designee shall implement an ergonomics program to identify risk factors in the work environment that may result in injuries or illnesses to employees and shall design measures to mitigate such risk factors. The program shall include a study of body movements and positions used during work, the tools and equipment used, the physical environment (such as temperature, noise, and lighting), and the organizational environment (such as deadlines, teamwork, and supervision) in order to identify potential causes of stress on the body over time, such as exertion or strain, awkward or sustained posture, or repeated motions.

An employee who experiences pain, numbness, stiffness, swelling, tingling, weakness, or other symptom(s) of a repetitive motion injury (RMI) or other musculoskeletal disorder that may be caused or aggravated by workplace conditions shall report the problem to his/her supervisor.

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

When an RMI which is objectively identified and diagnosed by a licensed physician to be a musculoskeletal injury has been reported by two or more district employees within a 12-month period, and is determined to be predominantly caused by a repetitive job, process, or operation of an identical work activity, the Superintendent or designee shall: (8 CCR 5110)

1. Evaluate each job, process, or operation of identical work activity at the work site, or a representative number of such jobs, processes, or operations of identical work activities, for exposures which have caused RMIs
2. Correct in a timely manner, or minimize to the extent feasible if correction is not possible, any exposures that have caused RMIs, taking into consideration engineering controls such as work station redesign, adjustable fixtures, or tool redesign, and administrative controls such as job rotation, work pacing, or work breaks
3. Provide staff training that includes an explanation of:
 - a. The district's ergonomics program
 - b. The exposures that have been associated with RMIs
 - c. The symptoms and consequences of injuries caused by repetitive motion
 - d. The importance of reporting symptoms and injuries to the district
 - e. Methods used by the district to minimize RMIs

ERGONOMICS (continued)

Strategies adopted for identifying and correcting workplace conditions or practices that may increase employees' risk of RMIs may be incorporated into the district's injury and illness prevention program developed pursuant to Labor Code 6401.7 and 8 CCR 3203.

PROFESSIONAL LEAVES

The Governing Board recognizes that a broad range of experiences can strengthen an employee's ability to meet the educational needs of the district's students.

The Board may grant a professional leave of absence for up to one year to certificated employees for the purpose of permitting study or travel which will benefit the schools and students of the district. No more than one such leave of absence may be granted to an employee in a seven-year period. (Education Code 44966, 44967)

(cf. 4131 - Staff Development)
(cf. 4161/4261/4361 - Leaves)

To be eligible for a professional leave of absence, an employee must have served in the district for at least seven consecutive years preceding the leave. For this purpose, any prior professional leave taken by an employee shall be deemed a break in the employee's service. No other type of leave authorized by the Board, and no service by the employee for one year or less under a national recognized fellowship or foundation approved by the State Board of Education for research, teaching, or lecturing, shall be deemed a break in the employee's service. (Education Code 44967)

Rather than granting a professional leave for a continuous one-year period, the Board may require that the leave be taken in separate six-month periods or separate quarters, provided that the total leave is completed within three years. Any period of service by the employee between the separate periods of leave shall comprise a part of the service required for a subsequent leave of absence. (Education Code 44966)

As a condition of being granted professional leave, the employee shall agree in writing to render service in the district following his/her return for a period equal to twice the period of the leave. (Education Code 44969)

The Board and employee may agree in writing to have the employee perform services for the district during the professional leave. (Education Code 44968)

Unless the employee agrees in writing with the Board not to receive compensation during the leave, the employee shall receive such compensation during the leave as the Board and employee agree upon in writing, which shall not be less than the difference between the employee's salary and the salary of a substitute employee in the position which the employee held prior to the granting of the leave. In lieu of such a difference, the Board may pay one-half of the salary of the employee or any additional amount up to and including the full salary of the employee. (Education Code 44968, 44968.5)

Compensation during the leave shall be paid in the manner authorized by Education Code 44969 and 44970.

PROFESSIONAL LEAVES (continued)

At the end of the professional leave, the employee shall be reinstated in the position he/she held when the leave was granted, unless otherwise agreed upon by the employee. (Education Code 44973)

PROFESSIONAL LEAVES

The Governing Board recognizes that a broad range of experiences can strengthen an employee's ability to meet the district's needs.

The Board may grant a professional leave of absence for up to one year to classified employees for the purpose of permitting study or retraining the employee to meet changing conditions within the district. No more than one such leave of absence may be granted to an employee in a seven-year period for purposes of study or three-year period for purposes of retraining. (Education Code 45381, 45382)

(cf. 4161/4261/4361 - Leaves)

To be eligible for a leave for study purposes, the employee must have served in the district for at least seven consecutive years preceding the granting of the leave. If the leave is for purposes of retraining, the employee must have served in the district for at least three consecutive years preceding the granting of the leave. Any professional leave of absence granted by the Board shall not be deemed a break in service. However, it will not be included as service in computing service for the granting of any subsequent professional leave. (Education Code 45382)

Rather than granting a professional leave for a continuous one-year period, the Board may require that the leave be taken in separate six-month periods or in any other appropriate periods, provided that the total leave is completed within three years. Any period of service by the employee between the separate periods of leave shall comprise a part of the service required for qualifying for a subsequent leave of absence. (Education Code 45381)

The Board and employee may agree in writing to have the employee perform services for the district during the professional leave. (Education Code 45383)

The employee shall receive such compensation during the leave as the Board and employee agree upon in writing, which shall not be less than the difference between the employee's salary and the salary of a substitute employee in the position which the employee held prior to the granting of the leave. In lieu of such a difference, the Board may pay one-half of the salary of the employee or any additional amount up to and including the full salary of the employee. (Education Code 45383)

Compensation during the leave shall be paid in the manner authorized by Education Code 45384.

The Board may grant reimbursement of the costs, including tuition fees, to any classified employee who satisfactorily completes approved training to improve his/her job knowledge, ability, or skill, as long as the employee is not eligible for reimbursement by another governmental agency, organization, or association. Programs eligible for reimbursement

The parent/guardian of a student in kindergarten or first grade shall submit to the Superintendent or designee a certification form developed by the California Department of Health Care Services (DHCS) and signed by the student's health examiner certifying that the student has completed a comprehensive health screening within 18 months prior to entry into first grade or within 90 days thereafter. (Health and Safety Code 124040, 124085)

(cf. 6173.3 - Education for Juvenile Court School Students)

The Superintendent or designee shall notify parents/guardians of all kindergarten students of the requirement to obtain a health screening and of the availability of the Child Health and Disability Prevention (CHDP) program established pursuant to Health and Safety Code 124025-124110 to assist eligible low-income families in obtaining the health screening. (Health and Safety Code 124100)

(cf. 5145.6 - Parental Notifications)

The notice and certification form shall be included with the notification of immunization requirements provided to parents/guardians prior to their child's enrollment in kindergarten and shall encourage completion of the health screening simultaneously with immunizations. The notice shall also be provided to the parent/guardian of any student who is enrolling in first grade without having attended kindergarten in the district.

(cf. 5141.31 - Immunizations)

In lieu of the certification, the parent/guardian may submit a waiver on a form developed by DHCS indicating that he/she does not want or is unable to obtain a health screening. If the waiver indicates that the parent/guardian was unable to obtain the services, the reasons should be included in the waiver. (Health and Safety Code 124085)

The waiver form shall be provided to a parent/guardian upon request.

The completed certification form or the waiver shall be maintained in the student's health file or cumulative record. (5 CCR 432)

(cf. 5125 - Student Records)

HEALTH SCREENING FOR SCHOOL ENTRY (continued)

During the first 90 days of the school year, the Superintendent or designee may contact any parent/guardian of a first-grade student who has not provided either the certification form or the waiver to ensure that the parent/guardian understands the health screening requirement and, if appropriate, his/her possible eligibility for the CHDP program.

The Superintendent or designee shall exclude from school, for not more than five school days, any first-grade student who does not present evidence of a health screening or a waiver on or before the 90th day after entering first grade. The exclusion shall begin on the 91st day after the student's entrance into the first grade, or if school is not in session, then on the next succeeding school day. (Health and Safety Code 124105)

The Superintendent or designee may exempt a student from exclusion when his/her parents/guardians have been contacted at least twice between the first day and the 90th day after the student's enrollment in first grade and the parents/guardians refuse to provide either a certification form or a waiver. (Health and Safety Code 124105)

(cf. 5112.2 - Exclusions from Attendance)

Oral Health Assessment for Grades K-1

No later than May 31 of the school year, the parent/guardian of any kindergarten student or of any first-grade student who was not previously enrolled in a public school shall certify that the student has received an oral health assessment. The oral health assessment shall have been performed by a licensed dentist or other authorized dental health professional no earlier than 12 months prior to the date of the student's initial enrollment. (Education Code 49452.8)

The Superintendent or designee shall notify parents/guardians of students in grades K-1 of the oral health assessment requirement. The notification shall, at a minimum, consist of a letter that includes all of the following: (Education Code 49452.8)

1. An explanation of the administrative requirements of the law
2. Information on the importance of primary teeth
3. Information on the importance of oral health to overall health and to learning
4. A toll-free telephone number to request an application for Medi-Cal or other government-subsidized health insurance programs
5. Contact information for county public health departments
6. A statement of privacy applicable under state and federal laws and regulations

HEALTH SCREENING FOR SCHOOL ENTRY (continued)

The notification, along with a copy of the certification form developed by the California Department of Education, shall be provided to parents/guardians when they register their child for school.

Following completion of the assessment, the parent/guardian shall submit to the Superintendent or designee a completed certification form which has been signed by the dental health professional.

A parent/guardian may be excused from complying with the oral health assessment requirements if he/she indicates on the certification form that the assessment could not be completed for any of the following reasons: (Education Code 49452.8)

1. Completion of an assessment poses an undue financial burden on the parent/guardian.
2. The parent/guardian lacks access to a licensed dentist or other dental health professional.
3. The parent/guardian does not consent to an assessment.

If the district hosts a free oral health assessment event at which licensed dentists or other licensed dental health professionals perform school site assessments of students enrolled in the school, any student who has not had an oral health assessment shall be given an assessment unless his/her parent/guardian has indicated on the certification form that he/she does not consent to the student receiving an assessment. However, a student shall not receive dental treatment of any kind without his/her parent/guardian's informed consent for the treatment. (Education Code 49452.8)

Students who are not assessed, or for whom the parents/guardians fail to return the certification form, shall not be excluded from school attendance.

By July 1 of each year, the Superintendent or designee shall report data on oral health assessments to the state dental director and/or the county office of education in accordance with Education Code 49452.8.

The report shall also be provided to the Governing Board. The identity of any student shall not be included in the report.

EDUCATION FOR ENGLISH LEARNERS

The Governing Board intends to provide English learners with challenging curriculum and instruction that maximize the attainment of high levels of proficiency in English, advance multilingual capabilities, and facilitate student achievement in the district's regular course of study.

The district shall identify in its local control and accountability plan (LCAP) goals and specific actions and services to enhance student engagement, academic achievement, and other outcomes for English learners.

(cf. 0460 - Local Control and Accountability Plan)
(cf. 3100 - Budget)

The Superintendent or designee shall encourage parent/guardian and community involvement in the development and evaluation of programs for English learners.

(cf. 0420 - School Plans/Site Councils)
(cf. 1220 - Citizen Advisory Committees)
(cf. 6020 - Parent Involvement)

English learners shall be provided differentiated English language development instruction which is targeted to their English proficiency level, integrated across all subject areas, and aligned with the state content standards. The district's program shall be based on sound instructional theory, use standards-aligned instructional materials, emphasize inquiry-based learning and critical thinking skills, and provide students with access to the full educational program.

(cf. 6011 - Academic Standards)
(cf. 6141 - Curriculum Development and Evaluation)
(cf. 6161.1 - Selection and Evaluation of Instructional Materials)
(cf. 6161.11 - Supplementary Instructional Materials)
(cf. 6171 - Title I Programs)

The Superintendent or designee shall ensure that all staff employed to teach English learners possess the appropriate authorization from the Commission on Teacher Credentialing.

(cf. 4112.22 - Staff Teaching English Learners)

The district shall provide effective professional development to teachers (including teachers in classroom settings that are not the settings of language instruction educational programs), administrators, and other school or community-based organization personnel to improve the instruction and assessment of English learners and enhance staff's ability to understand and use curricula, assessment, and instructional strategies for English learners. Such professional development shall be of sufficient intensity and duration to produce a positive and lasting impact on teachers' performance in the classroom. (20 USC 6825)

EDUCATION FOR ENGLISH LEARNERS (continued)

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

Staff development shall also address the sociocultural needs of English learners and provide opportunities for teachers to engage in supportive, collaborative learning communities.

To support students' English language development, the Superintendent or designee may provide an adult literacy training program that leads to English fluency for parents/guardians and community members.

Identification and Assessment

The Superintendent or designee shall maintain procedures for the early identification of English learners and an assessment of their proficiency and needs in the areas of listening, speaking, reading, and writing in English.

Once identified as an English learner, a student shall be annually assessed for language proficiency until he/she is reclassified based on criteria specified in the accompanying administrative regulation.

English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with testing variations in accordance with 5 CCR 854.1-854.3. English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law. (Education Code 60603, 60640; 5 CCR 854.1-854.3)

(cf. 6162.51 - State Academic Achievement Tests)

Formative assessments may be utilized to analyze student performance and appropriately adapt teaching methodologies and instructions.

(cf. 6162.5 - Student Assessment)

Language Acquisition Programs

The district shall offer research-based language acquisition programs that are designed to ensure English acquisition as rapidly and as effectively as possible and that provide instruction to students on the state-adopted academic content standards, including the English language development standards. (Education Code 306; 5 CCR 11300)

EDUCATION FOR ENGLISH LEARNERS (continued)

At a minimum, the district shall offer a structured English immersion program which includes designated and integrated English language development. In the structured English immersion program, nearly all of the classroom instruction shall be provided in English, but with the curriculum and presentation designed for students who are learning English. (Education Code 305-306; 5 CCR 11309)

For the purpose of determining the amount of instruction to be conducted in English in the structured English immersion program, "nearly all" means that all classroom instruction shall be conducted in English except for clarification, explanation, and support as needed.

In addition, language acquisition programs offered by the district may include, but are not limited to, the following: (Education Code 305-306)

1. The district may offer a dual-language immersion program that provides integrated language learning and academic instruction for native speakers of English and native speakers of another language, with the goals of high academic achievement, first and second language proficiency, and cross-cultural understanding.

(cf. 6142.2 - World/Foreign Language Instruction)

2. The district may offer a transitional or developmental program for English learners that provides literacy and academic instruction in English and a student's native language and that enables an English learner to achieve English proficiency and academic mastery of subject matter content and higher order thinking skills, including critical thinking, in order to meet state academic content standards.

The district's language acquisition programs for grades K-3 shall comply with class size requirements specified in Education Code 42238.02. (Education Code 310)

(cf. 6151 - Class Size)

In establishing the district's language acquisition programs, the Superintendent or designee shall consult with parents/guardians and the community during the LCAP development process. He/she shall also consult with administrators, teachers, and other personnel with appropriate authorizations and experience in establishing a language acquisition program. (Education Code 305)

At the beginning of each school year or upon a student's enrollment, parents/guardians shall be provided information on the types of language acquisition programs available to students enrolled in the district, including, but not limited to, a description of each program, the process to be followed in making a program selection, identification of any language to be taught in addition to English when the program includes instruction in another language, and the process to request establishment of a language acquisition program. (Education Code 310; 5 CCR 11310)

EDUCATION FOR ENGLISH LEARNERS (continued)

(cf. 5145.6 - Parental Notifications)

Parents/guardians of English learners may choose a language acquisition program that best suits their child. To the extent possible, any language acquisition program requested by the parents/guardians of 30 or more students at the school or by the parents/guardians of 20 or more students at any grade level shall be offered by the school. (Education Code 310; 5 CCR 11311)

Reclassification

When an English learner is determined based on state and district reclassification criteria to have acquired a reasonable level of English proficiency pursuant to Education Code 313 and 52164.6, or upon request by the student's parent/guardian, the student shall be transferred from a language acquisition program into an English language mainstream classroom.

Program Evaluation

To evaluate the effectiveness of the district's educational program for English learners, the Superintendent or designee shall report to the Board, at least annually, regarding:

6. Progress toward any other goals for English learners identified in the district's LCAP
7. A comparison of current data with data from at least the previous year in regard to items #1-6 above
8. A comparison of data between the different language acquisition programs offered by the district

EDUCATION FOR ENGLISH LEARNERS (continued)

The Superintendent or designee shall also provide the Board with regular reports from any district or schoolwide English learner advisory committees.

EDUCATION FOR ENGLISH LEARNERS**Definitions**

English learner means a student who is age 3-21 years, who is enrolled or is preparing to enroll in an elementary or secondary school, and whose difficulties in speaking, reading, writing, or understanding the English language may be sufficient to deny the student the ability to meet state academic standards, the ability to successfully achieve in classrooms where the language of instruction is English, or the opportunity to participate fully in society. An English learner may include a student who was not born in the United States or whose native language is a language other than English; a student who is Native American or Alaska Native, or a native resident of the outlying areas, who comes from an environment where a language other than English has had a significant impact on the individual's level of English language proficiency; or a student who is migratory, whose native language is a language other than English, and who comes from an environment where a language other than English is dominant. (Education Code 306; 20 USC 7801)

Designated English language development means instruction provided during a time set aside in the regular school day for focused instruction on the state-adopted English language development standards to assist English learners to develop critical English language skills necessary for academic content learning in English. (5 CCR 11300)

Integrated English language development means instruction in which the state-adopted English language development standards are used in tandem with the state-adopted academic content standards. Integrated English language development includes specially designed academic instruction in English. (5 CCR 11300)

Native speaker of English means a student who has learned and used English in his/her home from early childhood and English has been his/her primary means of concept formation and communication. (Education Code 306)

Identification and Assessments

Upon enrollment in the district, each student's primary language shall be determined through the use of a home language survey. (Education Code 52164.1; 5 CCR 11307)

Any student who is identified as having a primary language other than English as determined by the home language survey, and who has not previously been identified as an English learner by a California public school or for whom there is no record of results from an administration of an English language proficiency test, shall be initially assessed for English proficiency using the English Language Proficiency Assessments for California (ELPAC). (Education Code 313, 52164.1; 5 CCR 11511)

Each year after a student is identified as an English learner and until he/she is redesignated as English proficient, the summative assessment of the ELPAC shall be administered to the student during a four-month period after January 1 as determined by the California Department of Education. (Education Code 313)

EDUCATION FOR ENGLISH LEARNERS (continued)

The ELPAC shall be administered in accordance with test publisher instructions and 5 CCR 11518.5-11518.20. Variations and accommodations in test administration may be provided to English learners pursuant to 5 CCR 11518.30-11518.35.

Any student with a disability who is identified as an English learner shall be allowed to take the assessment with those accommodations for testing that the student has regularly used during instruction and classroom assessment as delineated in the student's individualized education program (IEP) or Section 504 plan. No Board policy, bylaw, or administrative regulation, or any portion thereof, shall be operative if it is found to be in conflict with applicable federal or state law or regulations or court decisions. 2. As needed, the Superintendent or designee shall gather fiscal data, staff and public input, related district policies, sample policies from the California School Boards Association or other organizations or agencies, and other useful information and data to fully inform the Board about a particular issue.

4. The Board or Superintendent may request that legal counsel review the draft policy as appropriate.
5. The Superintendent or designee shall develop and present a draft policy for a first reading at a public Board meeting. At its second reading, the Board may take action on the proposed policy. The Board may waive the second reading or may require an additional reading if necessary.

The Superintendent or designee may also develop procedures manuals, handbooks, or other guides to carry out the intent of Board policy.

When Board policies are amended, the Superintendent or designee shall review corresponding administrative regulations to ensure that they conform to the intent of the revised policy. In case of conflict between administrative regulation and Board policy, policy shall prevail.

The Board may review and/or approve administrative regulations for the purpose of ensuring conformity with the intent of Board policy.

Monitoring and Evaluation

At any time, the Board and Superintendent or designee may determine that progress reports to the Board on the implementation and/or effectiveness of the policy should be scheduled.
